COLLECTOR AUTOS – Begins Selling At 10:30 AM In Ring 2: The following cars are offered at no reserve. They all run and drive but have been off the road for varying lengths of time. They are all equipped with CB radios.

1972 CHEVROLET MONTE CARLO. This is a one owner car that is very stock. It has a 350 C.I., 2 BBL motor. There is an automatic transmission, power brakes, and power steering. There is no air conditioning. The odometer shows 85,143 miles. The original rally wheels will accompany the car. It has been off the road for approximately 20 years.

1952 FORD F-1 HOT ROD PICKUP. This pickup shows much better than it looks in the photos. The paint is quite good as is the interior. It has a small block Chevrolet motor with 3, 2BBL carburetors on a Weiand manifold. There are long tube headers on the motor. It has a 3-speed automatic transmission and power steering. The wheels are chrome Cragars. This truck has been owned for 20 years and was restored by the owner. It has been off the road for approximately 2 years.

1947 FORD COUPE HOT ROD. This an extremely good looking and running car. It has been owned by the seller for over 60 years. It underwent a frame off build in the mid 1990s. The car has been shaved of most badging and has an electric trunk release. The paint and interior are very nice. The motor is a small block Chevrolet with long tube headers. It has air conditioning, power brakes, power steering, and an automatic transmission. There is a full array of instruments in the dash. The louvered hood and full Moons really set off this car. This car has been recently driven.
